Ombudsman Program

Through the Strafford County Board of REALTORS®
and the New Hampshire Association of REALTORS®

Ombudsmen are trained REALTOR® members who are familiar with the Code of Ethics, state real estate regulations and current real estate practice. They can field and respond to a wide variety of inquiries and issues, including general questions about real estate practice, transaction details, ethical practice and enforcement issues. These inquiries can come from members of the public or other REALTOR® members.

Ombudsmen can receive and respond to questions and concerns about members, can contact members to inform them that a client or customer has raised a question or issue and can contact members to obtain information necessary to provide an informed response.

The Ombudsmen's role is one of communication and conciliation, not adjudication. Ombudsmen can help identify and resolve misunderstandings and disagreements before matters ripen into disputes and possible charges of unethical conduct.

Ombudsmen do NOT:

- ◆ Make decisions or determine right or wrong
- ◆ Give legal advice
- ◆ Refer matters to the NH Real Estate Commission
- ◆ Refer matters to Grievance unless possible violation of the public trust is involved
